Name rider: _____

Nr boxes: _____

Instructions horses:

1. Place your horses in the allocated barn. (with or without First bedding) Do not unload any tack or equipment

2. a. For horses entered in the CSI4*/1*/YH and NC horses:

Have your FEI Horse app to date : Temperature monitor sheet (10 days before the show) / FEI Self Certifying document / passports ready. As of 1 August 2021 this information must be submitted via the FEI HorseApp for all Events taking place in mainland Europe. EHV-1 test is not needed for the horses.

2.b. For horses entered in the Belgian Championship 7YO:

Have your Temperature monitor sheet (10 days before the show) and FEI Self Certifying document on paper ready together with the original passport. EHV-1 test is not needed for the horses.

3. Bring this sheet back to the stable manager. The vet now knows he can come to your stable(s). Please respect that the waiting time can be up to 1.5hr.

4) The vet scans the horse's microchip to confirm identity (using Bluetooth microchip reader and FEI HorseApp)

5) The vet checks for other signs of infectious diseases and vaccination against equine influenza, as already indicated by the Veterinary Regulations.

6) The groom checks the temperature of each horse using their own thermometer.

5) After checking, the stable / Temperature monitor sheet will receive a sticker:

Green (>36.5° / <38.5°) = Unloading tack and equipment

Orange (>38.5° / <39.0°)= On hold + recheck temperature after 1hr

Red = (>39.0°) Remove the horse and all in-contact horses to the quarantine stable
